THE G.A.R. WATCH

A Handsome Timepiece National Tribune Subscribers.

The Latest Product of the Elgin and Waltham Factories.

No. 302.

The above cut conveys a good idea of one of the great G.A.R. Watches made expressly for our subscribers. So many have called for them that we have at last decided to sell these elegant Watches at so low a price that all veterans may enjoy the possession of handsome, durable, and accurate Waltham and Elgin Watches. The G.A.R. Watch is either a Waltham or an Elgin, as the purchaser may choose. The works are made from the finest selected material. Each contains eleven valuable jewels, tempered steel springs, compensating expansion balance, patent safety pinton, stem-winding and pendant-seiting apparatus, full plate, a dust-band that excludes every particle of dust, quick train, jeweled balance, selected porcelain dial, and all the latest and greatest improvements. The case is made of nickel silver, a composition just as handsome and durable as coin silver. The case is dustproof, and need never be opened, because the Watch winds by turning the crown (or stem), and sets by pulling it out till it clicks, then pressing it back into place after setting, a wonderful feature that makes this Watch unique. On the back of this case the "G.A.R." badge, the emblem of glorious service, patient suffering and triumphant victory, is engraved by hand. As the fortunate purchaser sees this beautiful reward of patriotism a thought will come to his mind of the boys in blue who never saw a "G.A.R." badge, but who gave up their lives in battle. This watch is well worth double what we ask for it, but we have placed the price so low that all may get it. We will send it for a club of 10 subscribers and \$5 For sale, delivery guaranteed, for \$9.25
